Dear Kristine:

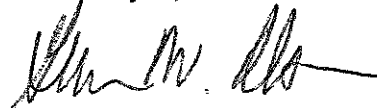

I would like to take this opportunity to say thank you for all of the great work you have put into the Rainier Christian Schools' annual auction these past five years. As the auction coordinator, you have done a remarkable job in helping us raise over \$500,000 (net!). When we had a downturn in 2007, you re-energized the auction team and helped us reach record levels for our 2008 and 2009 auctions, no small feat in difficult economic times.

You have worked with a wide range of staff and volunteers—many who have a very different understanding of what and how an auction should be run. It is no small task to successfully bring a major fundraising event together when working with such a wide range of personalities and expectations, but you have handled it well.

At one time or other you have assumed virtually every responsibility for the auction, including, but not limited to being a: major procurer, liaison to our auctioneer, coordinator for check-in and check-out, overseer of banking operations, volunteer coordinator, set-up and tear-down crew leader, creator and distributor of invitations, generator of guest and seating lists, publicity coordinator, auction committee coordinator/overseer, campus liaison, computer coordinator and data input specialist (extraordinaire!), etc. There is virtually no aspect of the auction that you have not handled at some significant level.

Simply put, without you, the RCS auction would not be what it is today...and for that we are extremely grateful. Your dedication and willingness to do whatever it takes—long hours, countless phone calls, following-up, etc.—are indicative of your desire to help Rainier Christian Schools have a successful auction every year, which...in turn...helps us to educate and develop each child for the glory of God!

God bless you,
