To Whom It May Concern,

This letter is to recommend The Auction Advantage as your auction consultant. Our PTA hired Kristine Greene to help us with our annual auction that took place this March.

Kristine helped us by meeting with the committee and starting us off with some excellent insight and ideas to create a fundraiser that would prove to be better than any other. She created a kick-off newsletter, procurement form, procurement letter, and other donor letters. She also helped us procure over \$8,000 in donations. Her counsel and advice was invaluable to our committee. She met with us on several other occasions, keeping us on track and reminding us of issues that may arise the night of the event.

Our auction doubled in income from the last auction, with Kristine's help. I want to thank her for all her advice and wise counsel. She has an abundance of knowledge in this area. She is organized and had everything we asked for on time, if not earlier.

Thank you, Kristine for your help in making our auction the best ever and here's to many more years of working together.

Sincerely,
